27 Lab-Confirmed Positive COVID-19 cases in Greene County
Daily Update – 4:30 p.m.

Snow Hill, NC – Twenty-seven cases of COVID-19 have now been confirmed in Greene County. Today, the Greene County Department of Public Health received notification of 6 lab-confirmed COVID-19 positive cases. On Monday, it was reported that Greene County had 22 cases. On Tuesday, the Greene County Department of Public Health confirmed that one of the positive cases was a resident of another county and that case has been transferred to that county health department. All of the six new cases are isolated at home while recovering. To protect individual privacy, no further information will be shared.

Out of the 27 lab-confirmed positive cases, 16 of the individuals have recovered, are doing well, and are out of isolation. The Greene County Department of Public Health is currently monitoring 10 individuals and the other individual is hospitalized.

- 3,588,773 confirmed cases globally; 247,503 deaths
- United States: 1,193,813 confirmed cases; 70,802 deaths
- NC has confirmed 12,758 cases of COVID-19 and 477 fatalities across 99 counties*
  - NC Completed Tests = 164,482*
  - Currently Hospitalized = 516*
  - *Last updated at 10:45 a.m. on May 6, 2020*

Greene County is continuing to monitor the situation and its impact on our community. New information will be shared as necessary.

Residents who feel they are symptomatic and in need of testing, need to call their primary care provider ahead of time in order to receive instructions on how to proceed.

Greene County Department of Public Health COVID-19 updates will appear on our website at www.greenecountync.gov/health and our Facebook page @greenecountydepartmentofpublichealth.
