Update on the number of COVID-19 cases in Greene County

Snow Hill, NC – The Greene County Department of Public Health received no notifications of new lab-confirmed COVID-19 positive cases today.

During our case investigation work today, the Health Department learned that three of the positive cases that we reported yesterday belong to other counties and that information has been transferred to those counties. That brings our total number of cases down to 186.

Out of the 186 lab-confirmed positive cases to date, 145 of the individuals have recovered, are doing well, and are out of isolation. Greene County currently has 38 active cases and the Health Department is monitoring those individuals. Currently, there are no individuals hospitalized. Greene County has had three deaths.
