

The page features a decorative border consisting of overlapping light blue circles and scattered stars in red, blue, and white. The stars vary in size and are distributed throughout the border.

Heating, Cooling and Water Bill Assistance

Greene County Social Services is excited to announce that we have received a grant from Duke Energy in the amount of \$5,000 to assist families with heating, cooling and water bills.

Eligibility will be determined based on the gross income of the household as well as need.

There is a \$300.00 limit per household.

**Applications will be available at the
Greene County Social Services Office
and
on the Greene County website.**
