Hurricane Florence Update

Greene County Government will be closed Thursday and Friday September 13th and 14th due to the impending hurricane. Essential Personnel should report to their pre-assigned work areas.

The Greene County emergency shelter will open at 9:00am Thursday morning. It is located at Greene Central High School at 140 School Dr. Snow Hill NC 28580.

Hurricane Florence is expected to hit landfall late Thursday night or early Friday morning. This hurricane has very high sustained wind potential. The potential for flash flooding also exists. If you experienced flooding or adverse weather conditions during Hurricane Mathew, Prepare for a similar event.

In the event of an emergency situation please dial 911, in the event of a non-emergency situation dial 252-747-2544. During the height of the storm, emergency response will not be available to respond until it is safe for first responders to respond.

Please make preparations to shelter in a safe and sturdy location. We advise that you avoid unnecessary travel and stay off the roads beginning Thursday evening due to impending adverse weather conditions.

Please stay tuned to the Greene County Emergency Services Facebook page, and the County website for further updates.
